## Merry Christmas & Happy New Year!

Hey Dancers, Let me take this opportunity to say thank you for your continued support of my local Line Dance Classes and Dance Parties.

Music and dancing has always played an important part of my life. I truly believe music and dancing can enrich your life and help you to cope with whatever life throws at you. The health benefits of music and dancing is unmeasurable.

And then of course there is the social aspect.

My plan is to continue to teach my local classes and occasionally attend line dance workshops for many more years.

Speaking of dancing, our new **Winter Session** of Line Dance Classes will begin on **January 23** at **St. Joseph Church Hall** and on **January 24** at **Sauder Elementary School**. I have also included, in this newsletter, the dates for our Spring Classes.

Pass the word and talk-up our line dance classes to family, friends, neighbors anyone who will listen. You never know who may be interested in joining us. Remember you may invite a guest the first night of class at **No Charge**. If they enjoy the class and wish to continue, they must then register and pay for the full session. Our classes are open to all ages.

### WINTER WEATHER ADVISORY

Please know that I will cancel classes if the weather turns ugly. I will make the decision about canceling a class by 4:30 pm and send out an email and Facebook announcements. If you are in doubt, call my home at 330-833-1763. Any canceled classes will be made up.

## OHIO SUMMER DANCE CLASSIC

**Saturday, June 8, 2019**

I'm excited to announce our 8th Annual **Ohio Summer Line Dance Classic** workshop is set for **Saturday, June 8** at **Walsh University**.

This year we welcome for the first time, in Canton, instructor and choreographer **Derek Steele** from Michigan. Also I'm happy to welcome my friends **Jamie Wylie** and **Tina Foster**, both are excellent instructors. Returning as our DJ is my friend **Jill Babinec**. This promises to be an enjoyable day of line dancing. We'll be teaching "all levels" of line dances throughout the day. Something for everyone.

There will be plenty of open dancing between lessons, a variety of vendors for shopping, and a 50/50 raffle. Included with your registration is our evening dance party.

Registration Forms are available on my website and at our Line Dance Classes and Dance Socials.

**DON'T MISS THIS FUN LOCAL WORKSHOP!!!**
